

Don't want to break free (from the EU)
by Andy "Dijon" French. Based upon "I Want to
Break Free" by Queen.

Instrumental intro(Overlay 'Ode to Joy' on violin?)

F#sus4-F# A B C#m
 C#m - B A B C#m
 C#m - B A B E5 E5

Rhythmically over E

(pause) E Esus4 E

Don't want to break free

E Esus4 E

From the Maastricht treaty

E

Don't want to break free from our ties

A

It's deeply unwise, to leave you

E

But May signed A- fifty

B A E

Who knows? Who knows what Britain will be

(pause) E Esus4 E

I blame Boris and Gove

E

They colluded to act, and to hell with the facts

A

Our future they'll steal

E

For their power and fame

B A E

It's crap, but no-one's prepared to go back

B A

It'll change how we view

B A

Bananas, medicines, people, power too

C#m

See I'm not so sure

F#sus4 F#

When we walk out that door

A B C#m B

That we will want to be free

A B C#m B

It will be very costly

A B E

Stop now, save the lawyers their fees

Solo over: E E A E B A E

E Esus4 E

It goes on, and on

I could, do without, do without

A

Farage and Rees-Mogg

E

Ex bankers without an honest job

B A E

Perhaps-their-God knows, how we'll make it on our own

B

So I hope that you'll will see

A E

Let's not try to break free

E B

If you're Irish it could be

A E

A problem for your liberty

E B

There's much more to fix you see

A E

And we'll ignore that if we fixate on being free
