

Please Close the Fire Doors

Based on a medley of songs (*Light my Fire, People are Strange, Break on Through*) by *The Doors*

Organ intro to *Light my Fire*

G D F Bb Eb Ab A A

Am F#m
For electrics, oil, use CO2

Am F#m
Not water on this type of fire

Am F#m
Unless its de-ionized

Am F#m
You might combust and then expire

G A D Dsus4 D
So safely put out that fire

G A D B
In your lab or in your deep fat fryer
G D E E7
Try to stop the flames getting, higher!

Switch to tune of *People are Strange*

Em Am Em
Take care when you lift things, don't do your back in

Am Em B7 Em
Use a trolley or, else, bend your knees

Em Am Em
Don't climb a ladder when the floor has got no grip

Am Em B7 Em
Where a harness when fixing a spire

B7
It's insane

G B7
If a toddler's in charge of a crane

B7
You're to blame

G B7
If you pour petrol onto a flame

B7 B7 B7
Don't get maimed, use your brain, use your brain...

B7 A7 G7 F#7 B7 A7 G7 F#7
All right, yeah!

Back to *Light My Fire*

Am F#m
If you're running health, and safety

Am F#m
You'll procure the right PPE

Am F#m
Waste billions on defective gowns

Am F#m
Was it crisis or the act of clowns?

G A D Dsus4 D
So safely put out those fires

G A D B
Make another iconic spire

G D E E7
Try to stop the cost getting, higher!

Switch to tune of *People are Strange*

Em Am Em
When walking some children, to a museum

Am Em B7 Em
You must wear a jacket, fluorescent is best

Em Am Em
Avoid slumping when typing, eyes on the screen top

Am Em B7 Em
Every hour, take a five minute break

B7
It's a shame

G B7
If your back is in constant pain

B7
You're to blame

G B7
If you put baby wipes down the drain

B7 B7 B7
Please refrain, use your brain, use your brain

B7 A7 G7 F#7 B7 A7 G7 F#7
All right, yeah!

Intro to *Break on Through*

D Em
You know you shouldn't keep them locked

D Em
And never ever blocked

D D
The alarm will sound, please don't run

Em D Em D
Evacuate and go outside

Em D Em D
Evacuate and go outside

Em D Em D Em
Evaculate and go outside, yeah!
