

That's a Moray

To the tune of That's Amore by Dean Martin

When the moon hits your eye
Like a big pizza pie,
That's amore!

... But when an eel has a maw
With a pharyngeal jaw
That's a Moray!

What's that thing in the reef
With the big shiny teeth?
It's a Moray!

Stick your hand in a crack
Then you won't get it back
That's a Moray!

To help hunt its prey
It's got more vertebrae
That's a Moray

If he's big and he's mean
and he's slimy and green,
That's a Moray. (A Moray)

Bit by *Gymnothorax*
And it's pain to the max
That's a Moray

I'd avoid a dish
Of this poisonous fish
That's a Moray

If Ciguatoxins
Make you ill from within
It's a Moray

When he's fanning his gills,
Better head for the hills,
That's a Moray. (A Moray)

When its jaws opens wide
And there's more jaws inside
That's a Moray!

If it skulks in a reef
And has two sets of teeth
That's a Moray!

If it chomps in your thigh
And you bleed out and die
That's a Moray!

Then you fall in the dock
Something rips off your ...
(musical tinkle bell sounds)
That's a Moray!

If this devilish eel
Makes your manhood a meal ...

Then there'll certainly be no more amore!
