

The Man with the Golden Pot by Yours Truly

Bm Bm7 Em
(From the) East there came an infusion
Am Am7 C
Of green, or black-coloured leaves
B7* Em
A refreshing drink, that's best if it's hot
Am F#
Served by a man with a golden pot

Bm Bm7 Em
Loose in a dark kitchen cupboard
Am Am7 C
Or packed-in-fancy pyramid bags
B7 Em
If its drunk in the bath or a classy tea shop
Am F#
Be the man with the golden pot

C#m C#m7 C#m C#m7
Your friends will applaud, whenever it's poured
C#m C#m7 F#7
Take care that nothing is spilled
Bm Bm
Serve with a biscuit and a knitted tea cosy
D#m7 Bb**
And try not to over fill

Bm Bm7 Em
Your golden pot needs some love and a polish
Am Am7 C
Make it a beautiful glittering orb
B7 B7 Em
Brew it, drink it, stress is forgot
Am F#
Be the man with the golden pot

Bm Bm7 Em
It's only tea but, you will see
G Am
Try Lap Souchong
Bm F# A Bm F# A
or Nilgiri.....

C#m C#m7 C#m C#m7
Milk is required, drink Assam when tired
C#m C#m7 F#7
Drink Sencha with noodles and meat
Bm Bm
Try Oolong and Lotus and Gilan from Iran
D#m7 Bb
In Dixie take it cold and sweet

Bm Bm7 Em
Your golden pot is a social sensation
Am Am7 C
Take a mug, tell a story or not
B7 Em
If you want to please everyone
Am F#
Be the man with the golden pot

Bm Bm7 Em
Make a brew!
Bm Bm7 Em
Drink it hot!
Bm Bm7 Em Bm Bm7 Em Bm9
